QUICK START

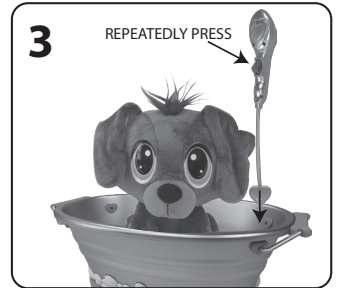

Before beginning, cover the play area to prevent possible water damage.

1
Slightly wet a cloth (not included) and wipe away the tear on your pup's eye.

2
Fill the bathtub with water up to the middle of the markers. Then, place your plush pet in the bathtub.

3
REPEATEDLY PRESS
Insert the heart end of the shower head into the water. Aim the shower head towards your plush pet. Then, repeatedly press the pump to bathe your pet.

DRYING YOUR PLUSH PET

Always dry your plush pet before storing.

1. Squeeze out the water from the plush.
2. Allow the plush to air dry thoroughly or place in the dryer.

USING A DRYER:

Insert the plush in a pillow case and set the dryer on a gentle cycle.

WARNING

- Adult supervision is required when children are playing around water.
- Do not allow children to play with water near an electrical source or apparatus in order to avoid electric shock and/or electrocution.
- Do not leave items filled with water near electrical devices.

IMPORTANT INFORMATION

- Always make sure your plush pet is completely dry before storing or wetting the plush again.
- Only use clear water to bathe your plush pet.
- Do not use soap or shampoo when bathing your plush.
- Only use the included plush and accessories with the bathtub. Do not use other toys or real pets.

Please keep this manual as it contains important information.
